

Cooking School Sponsors

The very best chefs knives from Mcusta and Kanetsune are now available at the barn from **Chef's Armoury** – Australia's No.1 Japanese knife retailer. The wealth of knowledge gained from over 800 years of samurai swordsmiths and knife makers, have given Japanese manufacturers the ability to produce the sharpest chef's knives.

Drop into the barn to see our Chef's Armoury knife selection. Cooking class participants will also be able to sample these knives first-hand so if you would like to try out the knives, why not book in for a cooking class? Chef's Armoury also has an elite range of sommelier knives and pocket knives which make beautiful gifts.

For more information on Chef's Armoury knives, proud sponsor of the barn cafe cooking school, go to www.chefsarmoury.com and drop in at the barn.
